Forever circulated films of Charles Thomas Wallace Truscott

Charles Thomas Wallace Truscott, born on the 13th of January 1993 at Lismore Base Hospital, is forever stored, distributed, circulated and watched by human trafficking groups on VHS, cassette, DVD, and computer format of:

Charles Truscott in a snuff film of surgery removing his face surgically and reattaching it in the letters MP, on photo paper, computer format

Charles Truscott drugged naked in a Paddywagon forced to give three NSW Police oral sex in 2007, then forced to eat faeces, petrol and water, on cassette mini-VHS converted to DVD, likely by a Police interview cassette to DVD converter

Charles Truscott anathetised and pack raped by a former girlfriend and her friends and family in two bedrooms, recorded from cameras drill mounted to walls in two bedrooms

Charles Truscott toileting and showering in Concord Centre for Mental Health, done by drilling holes in the mental hospital bathroom walls, on computer format

Charles Truscott raped as handcuffed and tied to a bed with drugging, electroconvulsive, upon institutionalisation naked in a hospital bed, recorded in the hospital room

Charles Truscott tortured with a crossbow, blowtorch, rubber hose, cigarettes, sword and horse saddle as abducted from Broken Head Rd in front of Byron High and taken to a property in Ewingsdale, filmed on computer format with a silver camcorder

The British Secret Intelligence Service MI6, NSA USA or US Secret Service or Carl Truscott US Secret Service Fmr. Director could find these films one day by hacking Police personnel stored in their homes on hard drives, students from Byron High who were criminal groups, ex girlfriends and their social network, and medical professionals and

These films of Charles Truscott circulate, are watched and distributed showing his face, height, clothes and weight, to be found by the NSA, US Secret Service, Interpol and MI6 human trafficking and sexual exploitation / snuff film researchers of films distributed by pedophile rings, trafficking rings and snuff film researchers

Carl Truscott, former Director of the US Secret Service is a relative of the person in those films and maybe the US Secret Service that investigate human trafficking in foreign sovereign nations could find these films

Life History Profile of Charles Truscott

Charles Thomas Wallace Truscott's history

Ritual Abuse, Human Trafficking survivor, enforced disappearance survivor, organ harvesting survivor

- Abducted and tortured by High School students on film, mock executed with a crossbow and blowtorch, restrained on a horse saddle and sodomised with objects, forced to chew a bank card, mock executed restrained to a horse saddle with Japanese swords, filmed with silver camcorder, forced to give oral sex while restrained on horse saddle
- Abducted by the High School students subsequently calling Emergency and being left by the side of the road, Police arriving, then restraining, injecting him, paralysed to give oral sex in a Police car on film then made to ingest human faeces (excrement), eat petrol and subsequently a stomach pumping again with water
- Scheduled under the Mental Health Act in 2011 and left handcuffed and tied with leather straps to a bed, raped and covered in defecation and given electroconvulsive administration and sedative drugging and antipsychotic drugging for three days
- Brainwashing procedures for non-voluntary forced sex acts

- Filmed showering and toileting in Mental Asylums
- Contacted a politician in 2013 to national media and national political institution attention, the ordeal becoming a cover-up
- Spent 6 years as an enforced disappearance by a political institution, political party and state agent institution under 24 hour surveillance
- Never returned to society after enforced disappearance
- Remains surgically branded with the letters MP to the face, has a mutilated face, face is injected with silicone and organ harvested
- Is in pain each second from surgical damage to the face
- Had been given an oral surgery to tighten mouth for forced oral sex to Police Officers
- Spoke each month on video for 12 years over Facebook, initially to Byron Bay High School friends that did not respond, watched and stored for 70 years by the NSA that tried to resolve the ordeal of blackmail
- Films forever circulating showing Charles Thomas Wallace Truscott:
 - Abduction and torture by High School students with a crossbow, blowtorch, horse saddle and swords and bank card
 - Charles Truscott abducted, drugged, paralysed and forced to give oral sex on three NSW Police Officers
 - Charles Truscott showering and toileting in mental health facilities
 - Charles Truscott's face mutilated with surgical instruments on film and reattached as a cattle brand of the letters MP and organ harvested in injected with silicone
 - Charles Truscott used for surgical and medical experiments, such as electrocution if an action was not obeyed

These films are stored on VHS, cassette, computer format, computer hard drives, presumably on NSW Police Officers, mental health hospital cleaners, surgeons and medical professionals hard drives

This is Charles Truscott's history, he lives in Suffolk Park and Byron Bay and has told his story for 12 years and will hopefully be returning to Byron Bay daily or migrating to Britain after his face is surgically repaired and he has accumulated finances from working and being in a workplace daily. This will remain in signed and printed form.
